

Teagasc and the Health and Safety Authority Half-day Training Courses

FARM SAFETY CODE OF PRACTICE

Teagasc invites all farmers to a Farm Safety Code of Practice training course at a centre near you during period October 2009 - March 2010

- It is a legal requirement to complete the Code of practice or prepare a Safety Statement
- Courses are practical and motivating
- Ninety-eight per cent of farmers satisfied with the training
- Course for €30

All farmers should avail of this farm safety course

Open to Teagasc clients and non-clients

Contact your local Teagasc office for further information
