Committed to farming?

Interested in contributing to a discussion group?

*Willing to share information on a **confidential** basis?*

Are you under 35 and involved in running a farm?

Are you interested in joining a discussion group that will address the issues faced by young farmers?

What's involved?

- Join a group of 12-15 members
- Meetings are held on members' farms
- You meet 8 – 10 times a year
- Meetings normally last two hours
- Members decide the most suitable time for meetings
- Members decide the topics for discussion
- All discussions are confidential to the group
- All meetings are co-ordinated and attended by Teagasc adviser

What are the benefits?

- Learn from the experiences of others
- Increased contact with your adviser
- Ability to deal with problems as a group
- Gain new skills and knowledge
- Improve your profitability
- Keep up-to-date with current issues
- Enjoy interaction with like-minded individuals
- Discuss issues in a friendly, open environment
