

Health and Safety

October 2011

Teagasc and the Health & Safety Authority present: **Farm Safety Half-day Training Courses**

Teagasc invites all farmers to a Farm Safety Code of Practice training course at a centre near you during the period **October 2011 to March 2012.**

It is a legal requirement to complete the Farm Safety Code of Practice or to prepare a safety statement

- Courses are practical and motivating
- 98% of farmers are satisfied with the training
- The cost of the course is €30

- All farmers should avail of this farm safety course
- Open to Teagasc clients and non-clients

Contact your local Teagasc office for further information (see overleaf).

Our message to you

As a farmer your health and safety is your most vital asset. By attending a half-day course you will get up-to-date with the legal requirement to complete a risk assessment and with the practical

approach required to manage health and safety on your farm. If you have not completed the risk assessment already, contact Teagasc in your county to register your interest in attending a course.

Mr Martin O'Halloran,
Chief Executive,
Health & Safety Authority.

Professor Gerry Boyle,
Director,
Teagasc.
