0-1 year olds			0.7	
1-2 year olds			1.3	
2+ year olds			1.3	
Ewes			0.15	
<b>Total tonnes needed</b>				
<i>Or</i>				
<b>Total bales needed (tonnes multiplied by 1.1)</b>				

## Section 2: Records of Silage made in 2018

### Complete This During the Summer

Date Cut	Estimated Quality	No. Bales/Tonnes Made

## Section 3: Surplus/Deficit?

No. Bales/Tonnes Required \_\_\_\_\_

No. Bales/Tonnes made to date \_\_\_\_\_

**You need to build up reserves for the next Fodder Shortage**

**Have you one month's additional supply?**

**If short consult your adviser for a Feed Programme**
