

GUIDELINES FOR WALSH FELLOWSHIP APPLICANTS

Please read carefully before making an application.

Points to note:

- All new Walsh Fellowship applications must be submitted using **SmartSimple**. We do not accept any paper/MS Word applications.
- You can access SmartSimple here: https://teagasc.smartsimple.ie/s_Login.jsp
- To obtain a password please email walshfellowships@teagasc.ie
- You are advised to submit your application well in advance of closing date.
- Applicants should be aware that the relevant calls will no longer be visible after the deadline date.
- Applicants should also note that applications that have already been started (i.e. in draft stage) will not be able to be submitted after the deadline.

Eligibility

- Applications for Fellowships are made by full-time academic staff (“the Lead External supervisor”) in third-level colleges in collaboration with a permanent Teagasc research officer (“the lead Teagasc supervisor”)
- Applications are not accepted from individual postgraduate students, and the Programme does not fund taught (non-research) postgraduate programmes.

Important Information for Applicants

Applications will be deemed ineligible if

- an application is not submitted or is in draft prior to the advertised deadline
- the declaration form is not endorsed by the office of the Vice-President/Dean of Research/Head of Development, as applicable, of the academic supervisor’s institution and signed by both lead academic and lead Teagasc supervisors and uploaded as part of the application.
- an application is incomplete
- the word count is exceeded as application cannot be submitted

Prior to creating an application

- Teagasc researchers must contact and discuss proposed application with your Head of Programme.
- Please do NOT add any supervisor to your application without their prior approval.
- Third-level college applicants can accept direct payment from Teagasc for fees and stipend for the Walsh Fellow and that annual award for stipend and fees are acceptable.
- Ensure the Walsh Fellowship Programme Terms and Conditions are read and fully accepted.
- You have names and email addresses for two relevant potential reviewers for this application and they can complete review by deadline given and via online system.
- No conflict of interest exists for the reviewer in relation to the application or the call.

Evaluation Process

- a) All Walsh Fellowships applications will be sent for external peer review.
- b) These applications will be further assessed by a Teagasc-appointed Technical Evaluation Panel (TEP), which will draw up a recommended list of proposals for funding.
- c) The recommended list will be submitted to an internal Teagasc panel comprising the Director of Teagasc, the Director of Research and the Walsh Fellowships Programme Manager (WFP). They will agree a final list of proposals for submission to the Teagasc Authority.
- d) The Teagasc Authority will approve the final list of proposals for funding.
- e) All applicants will be notified of the outcome and provided with feedback from the external reviewers.

Assessment Criteria

Applications will be assessed under the following four criteria headings

- ❖ Scientific background, technical quality and relevance to Teagasc of the application (50%)
- ❖ Tasks (20%)
- ❖ Expected benefits (10%)
- ❖ Supervision and resources (20%)

Registering as an application on

Registering as an external applicant for the first time

Academic staff in a third-level institution who wish to register as an applicant for the first time must click <https://teagasc.smartsimple.ie/files/437490/f101946/applicant.html> and complete the application registration page.

- I. The organisation to which you belong must be registered before an individual can register.
- II. If your organisation is already registered in the system it will appear once you begin to type it in the field entitled Organisation.
- III. If your organisation does not appear on the list please email walshfellowships@teagasc.ie
- IV. **Note:** Please ensure that your spam filter will not block the email address noreply@teagasc.ie. Preferably add this address to your contacts/address book before registering.
- V. Upon first login, users will be asked to change their password

Registering as an Teagasc applicant for the first time

Teagasc staff who don't have access to the application portal should contact walshfellowships@teagasc.ie

If you are already registered as an application but have forgotten your password, please just click on Forgot Password? on the portal page and a new temporary password will be sent to your email address.

USING TEAGASC ONLINE APPLICATION SYSTEM

Please note the following when using the system:

- ❖ External applicants can create a Walsh Fellowship application using 2019 Walsh Fellowships Call.
- ❖ Teagasc Researchers: if the application is associated with the annual Research Project Call, the Teagasc researcher must initiate the Walsh Fellowship application and add the external supervisors and save the application. This will allow external supervisor(s) to view/modify the Walsh Fellowship application only.
- ❖ The proposed start dates for internal funded Walsh Fellows is on or after October of the following year.
- ❖ No alterations can be made to an application once it has been submitted. Therefore it is important to check and re-check the application form until you are fully satisfied with all sections of your application before you click 'Submit Application'.
- ❖ Please ensure all email addresses are correct **prior** to submission as once submitted no alternations are possible and automatic notification will not be received.
- ❖ To avoid loss of progress, applicants are advised to save their applications as often as possible. To do this, click 'Save Draft' at the bottom of the page.
- ❖ If you enter information into HTML and **do not save** before closing the page this information will be lost.
- ❖ You can use copy and paste into a rich text field and format the text.
- ❖ If the Walsh Fellowship application is associated with a new research project call application, the number of Walsh Fellowships applications submitted must equal the number of Walsh Fellows required before the project application can be submitted.
- ❖ Please note that the organisation of the external supervisor must be already on the system before they can be added. If the organisation of the supervisor is not on the system you should contact walshfellowships@teagasc.ie.

Login

Once you have received your username and password access via https://teagasc.smartsimple.ie/s_Login.jsp

CLICK APPLY UNDER THE HEADING 2020 WALSH FELLOWSHIPS CALL

You will be greeted with the following screen which will be your **Home Page**. You can access, edit your draft applications or view the application status. You can also edit or change your profile details.

Next					

Notes

Qualification: Choose from the drop-down menu.

Duration in month: This should tally with qualification chosen.

Proposed Start Date: Enter the start date for the Walsh Fellow. Please note that WF's cannot start before the 01 October in the following year. If you enter a start date before the 01 October of the following (Call) year SmartSimple will alert you when you are submitting your application.

Proposed End Date: Enter the Walsh Fellow end date.

Project Code: Teagasc researchers can link your application to an on-going/approved project. Enter the four digit RMIS/Smartsimple number of the project into the 'Project Code' field. If there is no project leave blank.

Review Application – PDF: you can view your application in pdf format at any stage by clicking on the 'Open' button.

Please remember to click on 'save draft' as you proceed through your application form

Section 2: Description

The screenshot shows a web-based application form with several tabs: 'Categorisation', 'Description', 'Co-Supervisors', 'Workplan', 'Funding', and 'Declaration'. The 'Description' tab is active. Below the tabs, there is a header bar with the text: 'Description - Please Note that the following two sections must address the specific research being proposed for the postgraduate programme'. The form contains three main sections: 1. '* Title' with a text input field. 2. '* Postgraduate Project Abstract' with a word count '(Max 300 Words)' and a rich text editor toolbar. The toolbar includes icons for source, copy, paste, undo, redo, search, link, unlink, bold, italic, underline, strikethrough, bulleted list, numbered list, indent, link, unlink, table, and insert. Below the toolbar are dropdown menus for 'Format', 'Font', and 'Size', along with font color and background color pickers. The text area below the toolbar shows '300 words left'. 3. '* Objectives' with a word count '(Max 100 Words)'. At the bottom of the form, there are two buttons: 'Save Draft' and 'Submit'.

Title: This should provide a clear and concise description of the fellowship that allows a reader to easily assess his or her potential interest in the fellowship without reading further.

Postgraduate Project Abstract: This should be a succinct and accurate summary of the proposed postgraduate work, in less than 300 words.

Objectives: This should be 4 or 5 bullet points, in less than 100 words.

Justification: This should be clear in setting out the reason for the proposal, e.g. economic, gaps in existing knowledge, expected benefits etc. in less than 400 words.

Methodology and other details: This should include sufficient detail to enable an external reviewer to establish the hypotheses, relevance /appropriateness of methodologies being propose in less than 1500 words.

Expected Benefits: This should include deliverables, any industry impacts and describe any stakeholder involvement in the project in less than 400 words.

Briefly describe the college commitment to the development of the postgraduate student: This should include a list of the university training courses - e.g. experimental design, statistics and professional development modules that will be available to the Walsh Fellow in less than 300 words.

Students: Click on and list the five most recent (completed) PhD students supervised by either or both lead applicants.. Click on and the next line will appear and at the end of the line if you wish to delete the line. You must click Save before Close or the information inputted will be lost

Teagasc Supervisors

- To add a Teagasc supervisor, click 'Add Teagasc supervisor.'
- Enter the email address and the Surname of the supervisor, then click on Retrieve Teagasc Supervisor

Teagasc Supervisor Email:	<input type="text"/>
Teagasc Supervisor Last Name:	<input type="text"/>
<input type="button" value="Retrieve Teagasc Supervisor"/>	

All supervisors will appear in the table shown in the tab.

Walsh Fellow Location: To add the Walsh Fellow location, select the location from the dropdown list for each year.

Suggested Reviewers: You must enter details for two potential reviewers and ensure their emails, etc. are correct.

Please remember to click on 'save draft' as you proceed through your application form

Workplan: The objective here is to clearly demonstrate that thought has been given the major components of the work plan rather than being overly prescriptive. If the application is for MSc the start or finish month in workplan must be equal or less than 24, 36 for PhD and 48 for 4 Year PhD.

Click and complete the table, click Save then Close. You can go back into the table again and edit the details or delete the line.

Workplan

Detail the Workplan associated with the project.

- To add a Workplan item click button.
- Click button to delete a Workplan item.
- To clear the table and start over click the button.
- When you have detailed all the project Workplan items click to save Workplan items to the application.
- If you leave this screen without pressing the button all changes to the Workplan will be lost.

Workplan			
Title (500 characters)	Start Month No.	Finish Month No.	Any other relevant information (750 characters)
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Section 4: Tasks and Workplan

You must create work plan for the Postgraduate and the objective is to clearly demonstrate that thought has been given to the major components of the work plan rather than being overly prescriptive. You should include literature review, thesis etc.

Number	Title	Start Month No.	Finish Month No.	Any other relevant information
1.	gig gigj	0	3	hjh

Please remember to click on 'save draft' as you proceed through your application form

Section 5: Funding

Only complete this section if there is **any External Funding** available for the fees/stipend **or** external project funds. If there is any industry funding or in-kind contribution associated with your Walsh Fellowship application please provide details in this section and notify the Teagasc Technology Transfer Office or techtransfer@teagasc.ie before submitting your application in case there are any intellectual property implications.
