

## GUIDELINES FOR WALSH SCHOLARSHIPS APPLICANTS

**Please read carefully before making an application.**

### Points to note:

- All new Walsh Scholarship applications must be submitted using **SmartSimple**. We do not accept any paper/MS Word applications.
- You can access SmartSimple here: [https://teagasc.smartsimple.ie/s\\_Login.jsp](https://teagasc.smartsimple.ie/s_Login.jsp)
- To obtain a password please email [walshscholarships@teagasc.ie](mailto:walshscholarships@teagasc.ie)
- You are advised to submit your application well in advance of closing date.
- Applicants should be aware that the relevant calls will no longer be visible after the deadline date.
- Applicants should also note that applications that have already been started (i.e. in draft stage) will not be able to be submitted after the deadline.

### Eligibility

- Applications for Scholarships are made by full-time academic staff (“the Lead External supervisor”) in third-level colleges in collaboration with a permanent Teagasc research officer (“the lead Teagasc supervisor”)
- Applications are not accepted from individual postgraduate students, and the Programme does not fund taught (non-research) postgraduate programmes.

### Important Information for Applicants

#### Applications will be deemed ineligible if

- an application is not submitted or is in draft prior to the advertised deadline
- the declaration form is not endorsed by the office of the Vice-President/Dean of Research/Head of Development, as applicable, of the academic supervisor’s institution and signed by both lead academic and lead Teagasc supervisors and uploaded as part of the application.
- an application is incomplete
- the word count is exceeded as application cannot be submitted

#### Prior to creating an application

- Teagasc researchers must contact and discuss proposed application with your Head of Programme.
- Please do NOT add any supervisor to your application without their prior approval.
- Third-level college applicants can accept direct payment from Teagasc for fees and stipend. for the Walsh Scholar and that annual award for stipend and fees are acceptable.
- Ensure the Walsh Scholarship Programme Terms and Conditions are read and fully accepted.
- You have names and email addresses for two relevant potential reviewers for this application and they can complete review by deadline given and via online system.
- No conflict of interest exists for the reviewer in relation to the application or the call.

### Evaluation Process

- a) All Walsh Scholarships applications will be sent for external peer review.
- b) These applications will be further assessed by a Teagasc-appointed Technical Evaluation Panel (TEP), which will draw up a recommended list of proposals for funding.
- c) The recommended list will be submitted to an internal Teagasc panel comprising the Director of Teagasc, the Director of Research and the Walsh Scholarships Programme Manager (WFP). They will agree a final list of proposals for submission to the Teagasc Authority.
- d) The Teagasc Authority will approve the final list of proposals for funding.
- e) All applicants will be notified of the outcome and provided with feedback from the external reviewers.

### Assessment Criteria

Applications will be assessed under the following four criteria headings

- ❖ Scientific background, technical quality and relevance to Teagasc of the application (50%)
- ❖ Tasks (20%)
- ❖ Expected benefits (10%)
- ❖ Supervision and resources (20%)

### Registering as an application on

#### Registering as an external applicant for the first time

Academic staff in a third-level institution who wish to register as an applicant for the first time must click <https://teagasc.smartsimple.ie/files/437490/f101946/applicant.html> and complete the application registration page.

- I. The organisation to which you belong must be registered before an individual can register.
- II. If your organisation is already registered in the system it will appear once you begin to type it in the field entitled Organisation.
- III. If your organisation does not appear on the list please email [walhscholarships@teagasc.ie](mailto:walhscholarships@teagasc.ie)
- IV. **Note:** Please ensure that your spam filter will not block the email address [noreply@teagasc.ie](mailto:noreply@teagasc.ie). Preferably add this address to your contacts/address book before registering.
- V. Upon first login, users will be asked to change their password

#### Registering as an Teagasc applicant for the first time

Teagasc staff who don't have access to the application portal should contact [walhscholarships@teagasc.ie](mailto:walhscholarships@teagasc.ie)

If you are already registered as an application but have forgotten your password, please just click on Forgot Password? on the portal page and a new temporary password will be sent to your email address.

## USING TEAGASC ONLINE APPLICATION SYSTEM

**Please note the following when using the system:**

- ❖ External applicants can create a Walsh Scholarship application using 2022 Walsh Scholarships Call.
- ❖ Teagasc Researchers: if the application is associated with the annual Research Project Call, the Teagasc researcher must initiate the Walsh Scholarship application and add the external supervisors and save the application. This will allow external supervisor(s) to view/modify the Walsh Scholarship application only.
- ❖ The proposed start dates for internal funded Walsh Scholars is on or after October of the following year.
- ❖ No alterations can be made to an application once it has been submitted. Therefore it is important to check and re-check the application form until you are fully satisfied with all sections of your application before you click 'Submit Application'.
- ❖ Please ensure all email addresses are correct **prior** to submission as once submitted no alternations are possible and automatic notification will not be received.
- ❖ To avoid loss of progress, applicants are advised to save their applications as often as possible. To do this, click 'Save Draft' at the bottom of the page.
- ❖ If you enter information into HTML and **do not save** before closing the page this information will be lost.
- ❖ You can use copy and paste into a rich text field and format the text.
- ❖ If the Walsh Scholarship application is associated with a new research project call application, the number of Walsh Scholarships applications submitted must equal the number of Walsh Scholars required before the project application can be submitted.
- ❖ Please note that the organisation of the external supervisor must be already on the system before they can be added. If the organisation of the supervisor is not on the system you should contact [walshscholarships@teagasc.ie](mailto:walshscholarships@teagasc.ie).
