## NOTES

Good growth in the last 10 days is helping to build grass. Target is to be at 1100 max AFC by the 20 of September.

**Scanning results:** Michael Doran 5% emthy, Pat Dillon 5% emthy, Shane O' Loughlin 9% .

160 to 230 kg N/Ha spread on all farms this year. 100 to 500 kg of meal per cow fed so far.
