

BETTER Farm Sheep Programme **Expressions of Interest**

Are you interested in using the latest technology to develop your sheep enterprise for a sustainable future in collaboration with Teagasc?

If your answer is 'Yes' to this question then this may be the opportunity you need.

Teagasc is seeking farmers with a lowland sheep enterprise in the Midlands and Roscommon/Longford areas and farmers with a hill sheep enterprise in the Connemara/West Mayo and West Kerry areas who are interested in becoming a participant in the BETTER Farm Sheep Programme. This programme involves active development of their sheep enterprise through the application of the latest technologies. If you want further information, please enter your name and address below and send this form to:

**Teagasc,
BETTER Farm Sheep Programme
Animal & Grassland Research & Innovation Centre
Mellows Centre
Athenry
Co. Galway**

or send your details by email to either:

michael.diskin@teagasc.ie

michael.gottstein@teagasc.ie

Full name: _____

Address: _____

Phone _____

Farmers expressing interest in the programme will be issued with an Application Form. Closing date for receipt of expression of interest is 5pm on Friday 15th of September 2017.
