

# Directory of Professional Ecologists for Forestry Projects

Release date: 31 May 2019

## Notes

- Directory compiled as per Forest Service (DAFM) Circular 07/2019 (see <https://www.agriculture.gov.ie/forests-service/grants-and-premium-schemes/2014-2020/schemecirculars/>)
- An individual's inclusion on the Directory of Professional Ecologists for Forestry Projects does not represent any endorsement by the Department of Agriculture, Food & the Marine regarding that individual's qualifications or experience, track record or services offered, or status regarding their professional indemnity insurance. It is the responsibility of the landowner, forest owner and the Registered Forester who are considering engaging the ecologist, to satisfying themselves regarding these issues.
- Landowners, forest owners and the Registered Foresters seeking a professional ecologist to undertake work are not restricted to selecting individuals from this Directory.
- Individuals wishing to be included in future releases of this Directory can contact [forestryonline@agriculture.gov.ie](mailto:forestryonline@agriculture.gov.ie) for further information.
