

NMP Online User Update

Issue 17 | April 2020

Table of Contents

1. New Derogation changes: Commonage/Rough Grazing2
2. New Plan Summary feature to deal with commonage/rough grazing on Derogations NMP's4

1. New Derogation changes: Commonage/Rough Grazing

Since the new derogation rules were announced in February 2020 in relation to Commonage and Rough Grazing, NMP online has undergone changes to adapt to this. NMP users that have clients with Commonage/Rough Grazing cannot complete Derogation NMP's for 2020 for these clients until these changes had been built into NMP online.

<p>Commonage/rough grazing will not be eligible for the derogation allowance of 250 kg livestock manure N/ha. – Derogation Farms only</p> <p>Q: How will DAFM define Commonage/Rough grazing for the purpose of the Nitrates Derogation? A: This will be defined based on the declaration of Commonage/Rough grazing on the Basic payment Scheme application.</p> <p>Q: Will Commonage/Rough Grazing be eligible for inclusion in the Whole Farm Stocking Rate to 170 kg livestock manure N/ha? A:</p> <ul style="list-style-type: none"> • Yes • However, please note the following rules for Commonage/Rough Grazing from 2020 for Derogation Farms, <table border="1"> <tr> <td>Derogation Farmer</td> </tr> <tr> <td>Permitted for inclusion to ≤ 170kg livestock manure N/ha</td> </tr> <tr> <td>Chemical Allowance permitted to ≤ 170 kg livestock manure N/ha or WFSR stocking rate allowance whichever is lesser.</td> </tr> <tr> <td>No further chemical allowance is permitted for Commonage/Rough Grazing above a WFSR of 170kg livestock manure N/ha</td> </tr> </table>	Derogation Farmer	Permitted for inclusion to ≤ 170 kg livestock manure N/ha	Chemical Allowance permitted to ≤ 170 kg livestock manure N/ha or WFSR stocking rate allowance whichever is lesser.	No further chemical allowance is permitted for Commonage/Rough Grazing above a WFSR of 170kg livestock manure N/ha	<p>From 1/1/2020 for derogation farmers only.</p>
Derogation Farmer					
Permitted for inclusion to ≤ 170 kg livestock manure N/ha					
Chemical Allowance permitted to ≤ 170 kg livestock manure N/ha or WFSR stocking rate allowance whichever is lesser.					
No further chemical allowance is permitted for Commonage/Rough Grazing above a WFSR of 170kg livestock manure N/ha					

NMP online now has the ability for the chemical allowance permitted ≤ 170 NpH in line with the bullet points above. This is reflected on the Land and Fert Max page which will show the available N and P for commonage/rough grazing as non-derogation rates.

No change for GLAS Commonage/Rough Grazing – see below.

Fertiliser Plan - Land & Fert Max										
< Prev		Next >								
	N	P Index 1	P Index 2	P Index 3	P Index 4					
Max Grassland Allowance (Previous Year Grassland SR:200 kg/Ha)	282	36	26	16	0					
Available N Allowance										
Name	Crop Area(Ha)	N Index 1			N Index 2			N Index 3		
		Area(Ha)	N Allowed	Total N	Area(Ha)	N Allowed	Total N	Area(Ha)	N Allowed	Total N
Grazing	22	22	282	6,204.0						
2 Cut + Grazing	6	6	282	1,692.0						
GLAS Commonage	1	1	0	0.0						

Available P Allowance

Name	Crop Area(Ha)	P Index 1			P Index 2			P Index 3		
		Area(Ha)	P Allowed	Total P	Area(Ha)	P Allowed	Total P	Area(Ha)	P Allowed	Total P
Grazing	22							22	16	352.0
2 Cut + Grazing	6							6	16	96.0
GLAS Commonage	1							1	0	0.0

For non-GLAS Commonage/Rough Grazing

Fertiliser Plan - Land & Fert Max

< Prev Next >

	N	P Index 1	P Index 2	P Index 3	P Index 4
Max Grassland Allowance (Previous Year Grassland SR:200 kg/Ha)	282	36	26	16	0

Grazing	22							22	16	352.0
2 Cut + Grazing	6							6	16	96.0
Commonage	1							1	13	13.0

2. New Plan Summary feature to deal with commonage/rough grazing on Derogations NMP's

Derogation rules on stocking rates restrict the stocking rate to 170 kg's N/Ha and the remainder of the UAA/eligible BPS area to 250 Kg's N/Ha.

NMP online now has a new feature that gives a new calculation to deal with this and if this figure exceeds 250kgs'N/Ha that the farm is not eligible to apply for derogation.

Example below

29ha farm of which 1ha is GLAS Rough grazing. There are 4 crop types that are affected by the new derogation rules – GLAS Commonage, GLAS Rough Grazing, Commonage and Rough Grazing.

Name	Townland	Gross Area(Ha)	Ref. Area(Ha)	Mapped Area(Ha)	Latest Soil Sample	First Crop	Crop 2	Options
1	null	20.0	20.0			Grazing		Draw LPIS
2	null	6.0	6.0			2 Cut + Grazing		Draw LPIS
3	null	1.0	1.0			Grazing		Draw LPIS
4	null	1.0	1.0			Grazing		Draw LPIS
5	null	1.0	1.0			GLAS Rough Grazing		Draw

Where any of the four crops above are selected in a NMP a new row appears in Plan Summary.

Plan Summary		Planned Stocking Rate 2020 Based on Previous Years stock	Projected 2021 stocking rate based on Planned 2020 Stock
Grassland Stocking Rate (Kg/Ha):		200.00	219.83
Net Whole Farm Stocking Rate (Kg/Ha) (Excluding Imports and Exports)		252.00	219.83
Whole Farm Stocking Rate (Kg/Ha) (Including Imports and Exports)		252.00	219.83
Farm Area		29.00 Ha	
Grass Land Area		29.00 Ha	
Non Grass %		0.00 %	
Derogation SR on Grassland/Tillage (Adjusted commonage/rough grazing)		221.61	

Where this figure >250 kgs N/H a warning will appear to the user **Warning! Whole Farm Stocking Rate exceeded 250kg N/Ha. Additional land, reduced stock or increased organic manure exports are needed.**
