## TUESDAY, AUGUST 21<sup>ST</sup> 2018

DAFM Approved Knowledge Transfer National Event

Energy in Agriculture is Ireland's largest energy specific event for the agricultural community. In 2017 it had over 60 exhibitors and attracted over 2500 attendees, proving to be a highly successful, informative and productive day for all.

The 2018 event will take place again at Gurteen College, Co Tipperary on Tuesday 21st August 2018. It will be bigger and better this year, informing visitors of the greater energy opportunities in agriculture - Support Scheme for Renewable Heat, Microgeneration Grant Scheme and the further development of the Renewable Electricity Support Scheme.

### THE PROGRAMME FOR THE DAY IS JAM PACKED AND INCLUDES:

- Large indoor & outdoor exhibitor arena
- Panel discussions featuring some of the leading voices in Sustainability & Energy in Agriculture in Ireland
- 3 streams of seminar talks with a range of topics relevant to each theme:
  - Stream A** Practical on-farm energy
  - Stream B** Support Scheme for Renewable Heat & Biomass (Forestry)
  - Stream C** Delivering sustainable energy through agriculture
- Practical demonstrations on renewable energy production
- FREE 1:1 advice clinics with industry experts
- Exhibition of 'Sustainable Energy in Irish Agriculture' Research Poster Competition entries
- Innovation showcase to demonstrate the best and brightest innovations from the last 3 years that aim to increase efficiency and sustainability on our farms

FREE TO ATTEND,  
ALL WELCOME!
