Sustainable Innovation Award Category

- This award recognises individuals and organisations who have applied science and technology to help deliver the principles of climate-smart agriculture such as greater efficiency, reduced waste and increased profitability.
- The winner in each section will receive €2,000 and an RDS Spring Awards Trophy
- Each runner-up will receive €1,000 and an RDS Certificate of Merit
- Application Deadline – February 7, 2020

With an overall prize fund of €23,000, the RDS Spring Awards celebrate and promote the principles of climate-smart agriculture. Building on a name from the past, but firmly focused on the future of the sector, the Awards will recognise the very best farmers, foresters, agri-entrepreneurs and innovators in Ireland.

The 2020 RDS Spring Awards will be presented in the RDS Concert Hall on Tuesday, April 14, 2020.
Introduction
Please provide a summary overview of your business or organisation

For example:
- History and future ambitions
- General approach to food, farming and/or rural sustainability

Tell us your Sustainability Story
Please describe your business and tell us why you think your entry would make a worthy winner of this award.

What the Judges are looking for:
- What is the economic, environmental and/or social impact of your work
- What are the current and potential benefits of the application of this innovation, on farm, or throughout rural Ireland.
- What is unique about this innovation
- How are you using data and technology to improve on farm efficiencies and help reduce agriculture carbon emissions
- Is this innovation scalable and sustainable

Further Information
Please feel free to add any additional information that will support your application
Please return completed application form to:

RDS Spring Agriculture Awards
RDS,
Ballsbridge,
Dublin 4

Or via email to agriculture@rds.ie
